For our students, we serve to:

For our School, we serve to:

Our Activities

We started 2006 by showing our cares to the community and joined the ACCA Charity Rickshaw Race on 22nd January 2006. Alumni and student members teamed up and participated in the parade and the rickshaw race. Donations of HK$ 6,208 were raised for the needed. Members enjoyed the fun day and built up the MBS spirit by hearts.

With the FT ranking as 22nd in the world this year, a celebration network drink was held for our members on 8 March 2006. Joy of being members of the top business school was shared during the event.

Various networking events were organized during the year, such as boat cruise and wine-tasting. We are glad to see that our activities attracted not only our local alumni, but also alumni from different regions of the world.

Academic and practical seminars were held during the period, they covered taxation, marketing strategy, brand-building and other management issues. High participation rate reflected the support from our members.

MBSAAHK has extended our network and activities in China. Networking activity was held in British Council, Beijing in November 2005. A brand-building seminar was organized in Shenzhen on 3 June 2006. The British Council and British Chamber of Commerce Guangdong supported the event and good responses were received from local and MNC executives. To strengthen our network in China, Ms Tanny Chow was invited as the Convenor of Distance Learning and Part-time alumni and students in Beijing.

We also care about our student members. Project preparation seminars were held in 2005 and 2006 for the project stage students, in which, distinguished alumni shared their experience with the students.

In order to assist the new students to establish their network between their fellow classmates, our Board members supported the School’s Team Building Exercise in July. The event was held in Outward Bound School and involved lots of challenging exercise which encouraged the team spirits of the members.

The Board approved to launch an Outstanding MBA Student Award to the best student of the year from the Association. The award from MBSAAHK is an appreciation to the MBS MBA graduate with outstanding academic performance in the program and the one who shows their support to the Alumni Association. Though we can only offer the scholarship in a not very significant amount due to our thin surplus at the moment, but we hope that we can contribute to support our students/alumni.
Besides the alumni activities, we actively involved in promotional events of the School, such as MBA Tour, Information sessions and Induction sessions for prospective and new students. We hope that by the presence of the alumni in these events to increase the publicity of MBS in the region.
